MEET 36 OF AUSTIN'S BEAUTY PIONEERS

The beauty business goes beyond dyes, scissors and scrubs. The best beauticians know that earning the client's trust through hard work, communication and affability is the goal. We asked Austinites to name the stars of the beauty scene. After counting votes from more than 7,000 readers, here are the talented, trustworthy beauty gurus who reigned supreme.

BEST WAXING

**Tiffany Olson Moorman,
Hey Gorgeous
Waxing & Skin Studio**

4112 Marathon Blvd., 578-8712

heygorgeousaustin.com

Hey Gorgeous understands that getting waxed is an awkward, anxiety-inducing affair. That's why New York City transplant Tiffany Olson Moorman takes care of your hair removal needs with some serious TLC. Helping her clients relax during the wax is the goal. "My pride comes from being extremely efficient and helping clients feel comfortable in what can sometimes be considered an uncomfortable situation," she says. "They always tell me that coming to see me is like visiting with an old friend."
